

CURRICULUM VITAE

I have done some volunteering where I gained valuable experience in the work environment. I have strong attention to detail and inclination for problem-solving. To build upon this interest, I have recently graduated from a coding Traineeship as a full stack developer including completing 2 real-world projects successfully to specification using a wide range of programming languages. I have excellent customer service, communication, teamwork and organisation skills and a strong work ethic. I enjoy learning new concepts, and problem solving. I am looking forward to establishing a career in the development field where I can prove myself as an asset.

PERSONAL DETAILS

NAME: Kiran Sundal

RESIDES: Walsall

TRANSPORT: Public transport

CODING TRAINEESHIP

IT Career Switch Ltd
Coding Traineeship – Full stack developer
1-year program

During the traineeship I had to demonstrate a very competent level of the following programming languages and technical skills

- HTML5, CSS3, JavaScript
- PHP, SQL, React, jQuery
- Java, Python, C#, Node.js
- Command Line Git, GitHub
- Remote API access

ADDITIONAL TECHNOLOGIES:

- Bootstrap, PostgreSQL, Express.js, Redux, Linux, Apache, MySQL, Powershell, GitBash, Visual Studio Code, PgAdmin, PHPMyAdmin, Postman, Netlify, Slack

DEVELOPMENT EXPERIENCE:

Below are the two briefs of development projects I completed with IT Career Switch which can be found in my bio: <https://kiransundal.co.uk/>

Portfolio Project #1: “Gazetteer”

The specification was to reply to a website specification for a map-based app to provide information on countries – with a focus on a “mobile-first” development. Preferably using a framework, to then develop HTML, CSS and JavaScript with JQuery modules that use PHP server-based components to source data from third-party APIs (Geonames, OpenWeather). The solution is assessed on its delivery to specification, functionality, and usability.

Portfolio Project #2: “Company Directory”

A more rigorous reply to this specification was required as a user requirements document was needed to be prepared which, when signed off, triggers the release of SQL allowing to develop a “mobile first” application to maintain a company personnel database (MySQL). Sign-off is only achieved upon the student supplying an independently witnessed document providing confirmation of the system’s ability to perform error-free.

CAREER HISTORY:

VOLUNTEER WORK:

July 2018 – Jan 2019

POSITION HELD:

WHG

Work Placement (Health and Wellbeing Team)

- Engaged with customers by email, letter, text and telephone
- Received and processed referrals
- Provided relevant advice and guidance to customers
- Various admin tasks for wider Health and Wellbeing Team

Nov 2017 – June 2018

POSITION HELD:

Healthy Living Centre

Work Experience

- Assisted with administrative tasks
- Produced marketing material
- Typed letters
- Produced information packs
- Made and received phone calls

Sept 2016 – Sept 2017

POSITION HELD:

Lindens Primary School

Work Experience

- One-to-One sessions with children
- Playground Duty
- Preparing Resources
- Helping children during sessions
- Managing behaviour

EDUCATION:

2016 – 2019

Walsall College

BTEC Extended Diploma in Health and Social Care Level 3

(*Grade: Distinction**)

GCSE English (*Grade: 5*)

Diploma in Business Administration

The Streetly Academy

Nine GCSEs (*Grade: A* – C*)
