PERSONAL PROFILE

I am a focused and hard-working individual, who is currently training to be a software-engineer through a coding traineeship with IT career witch . I enjoy learning new concepts, working collaboratively with others and problem solving.

I am looking to gain hands-on experience writing production-level code as well as working in a full-stack-team..

Programming Languages and Tools Used

- HTML
- CSS & Bootstrap Framework
- PERN Stack (PostgreSQL, Expressjs, React, Redux, Nodejs)
- LAMP Stack (Linux, Apache, MySQL, PHP)
- Windows Operating Systems / Powershell
- Git, GitHub, GitBash
- Visual Studio Code
- PgAdmin, PHPMyAdmin, Postman
- Netlify, Slack

KEY SKILLS

- Problem solving
- Hard working and dedicated, eager and enthusiastic
- Motivational, encouraging others and self to achieve.
- Adaptable and flexible, working to provide appropriate support to work with others
- Professionalism
- Teamwork
- Communication skills – Internal and external
- Very articulate and motivated.
- Ability to use own initiative and able to be proactive.
- Patience

EDUCATION and QUALIFICATIONS

Walsall College, Wisemore Campus (2016-Present)

BTEC Extended Dip Health and Social Care Level 3- D*D*D

GCSE English - Level 5

OCR QCF Dip Business Administration – Pass

The Streetly Academy, Queslett Road East, Sutton Coldfield B74 2EX (2015)

(9 GCSE's equivalent A*-C's)including x2 Distinction* Health and Social Care, C's in Mathematics, Science (double award), English Literature, Leisure and Tourism, History.

VOLUNTEER/ ACHIEVEMENTS

Boccia Team Captain (The Streetly Academy), twice captioned the Team to the National Finals.

- June 2017 – completed work experience placement at Lindens Primary School
- November 2017 – completed work experience at Healthy Living Centre, assisting with administrative tasks. This included: producing marketing material, typing letters, producing information packs & making/receiving phone-calls
- 45-Day work placement – whg (Health and Wellbeing Team) – Engage with customers by email, letter, text and telephone, receive and process referrals, providing relevant advice and guidance to customers, various admin tasks for wider Health and Wellbeing Team.

HOBBIES and INTERESTS

My interests include socialising with family and peers (particularly little nieces and nephews),; reading and taking part in quizzes. I am also a fan of comedy; Adam Hills and Francesca Martinez are amongst my favourites.
